## Senior Spotlight

---

**Chloe Hales** has loved to sing ever since she was little and always used the family coffee table as her stage. She has enjoyed being in concert choir for the past three years and has made so many friends and memories that she will cherish forever. As she has grown in the choir program, she has been able to join Sherwood High School's a cappella choir, the *Mixolydians*, and has loved the energy in that group. Beyond high school Chloe plans to attend Brigham Young University - Idaho (BYU-I) in the fall to further her education. A huge thanks to her parents, grandparents, and friends who have helped Chloe grow into the amazing young woman she is.

**Emma Kane** has always loved watching her friends perform. She has found a love in transforming her friends into different characters with glam squad. She has helped in shows like *Suessical Junior*, *Little Women*, *Sense and Sensibility*, *The Lion King Junior*, and *Producers*. Her favorite and only role was as a nun in *Producers*. Her favorite memory is hanging out backstage with her fellow glamazons. Emma plans to attend Boise State in the fall, majoring in early childhood special education. She would like to thank her family for the endless support and specifically her best friend Madeline Lewis for giving her a home within this program.

**Holli Summers** - From singing primary songs to slamming keys on the piano, music was a big part of Holli's childhood. She began piano lessons around age 6 and started auditioning for choirs and musicals in the 4th grade. Her very first role as young Aurora in *True Loves Tale* pushed her to continue in the world of musical theater; Acting in multiple junior musicals such as *Beauty and the Beast*, *Aladdin*, *Peter Pan*, etc. and a few high school musicals, but

her favorite show was the high school production of *Newsies*. Despite having a smaller role as a nun and ensemble, the amount of fun and energy that was present in the show, made it the most memorable part of her sophomore year. Also auditioning and joining the *Mixolydians* pushed her musicality and energy on stage in the best possible direction. Holli will be attending BYU-I in the fall and hoping to have a future in 2D animation/character design. She would love to thank her incredible friends and family for all their undying support, but more specifically, her mom for pushing her to do these incredible things no matter what grief was given.

**Jaxon Roberts** has always loved music. Before moving to Sherwood, he played the violin in the orchestra. He began his love for singing while joining the Sherwood Middle School and VPA choirs, later participating in the SHS choirs for all four years. He has also been a member of the *Mixolydians*, the competitive a cappella choir, for two years. Jaxon has also found a love for musical theatre with a couple of his favorite roles being “Simba” in *The Lion King Jr.* (VPA), and preparing to perform as “Frank Sr.” in SHS’s *Catch Me if You Can*. He has also been performing with his band “Zero South” in the XLR program as lead singer and

has been a previous winner of the “Battle of the Bands” competition in Portland. He would love to pursue a career in the movie industry. Jaxon would like to thank Ms. Shuckerow for making a big difference in his life.

Some of Jolee’s favorite roles have been “Mary Poppins”, “Mayzie” in *Seussical*, “Summer Hathaway” in *School of Rock*, and “Margot” in *Legally Blonde*. Next year, Jolee is attending Fairleigh Dickinson University majoring in musical theater. Jolee is beyond excited and so grateful for the wonderful experiences she has been given. **Julianna Robinson** has enjoyed singing since the age of 8 and has been very artistic their entire life. For as long as they can remember, they've been interested in every art form in existence. They've been in choir since 6th grade and have luckily had Mrs. Shuckerow throughout their entire choir experience. A memorable experience was having fun with their fellow choir members performing in Broadway Bits 2019, as well as working stage tech in Broadway Bits 2020 with their best friend,

Paris Spackman. Their plans after high school are to build a career around 2D and 3D art. Their favorite hobby is painting weird paintings to hang in their bedroom. They would like to thank their parents, Sarah and Sam Robinson, for helping support them every year and building their confidence enough to help them actually step foot on stage, as well as giving honest feedback during the car ride home after every choir performance.

**Landon Wells** began singing on stage as a toddler in his church. Since learning guitar in 5th grade, he has been serving on his church's worship team. He also leads worship for various churches around the Portland area and has been teaching guitar to kids and teens in the Sherwood community for four years. He began his involvement in musical theatre just before 4th grade in *The Wizard of Oz* as "Lollipop Guild" and a flying monkey. Some memorable roles are "Chef Louis" in *Little Mermaid*, and "Genie" in *Aladdin* (VPA). Landon's favorite roles since that time are "Zack Mooneyham" in *School of Rock* (Stages Youth) and "Tommy Boy" in *Newsies* (SHS). Landon enjoyed singing in the VPA choirs, and has loved singing in the SHS choirs, including *Mixolydians* the last two years. Landon enjoys playing soccer, and adores all things guitar and audio tech related. He was thrilled to produce and win "Outstanding Audio Mix" for the *Mixolydians'* ICHSA competition this year, and is excited to be attending Belmont University in Nashville, Tennessee this fall, majoring in Audio Engineering Technology and Music Business. Landon would like to thank his many directors over the years, his family, and his girlfriend, Sophia, for the constant support in pursuing his musical dreams.

**Matthew Yohe** was born and raised in Sherwood, growing up in the Sherwood school district since preschool. He loves anything artsy, and enjoys gaming as well. Matthew is a member of the SHS Bowmen choir this year and enjoys the fact that he can sing freely. He grew up playing soccer, has played High School football for two years and has participated in track for the past six years. He would like to thank Mr. Baltzel for always being someone he can talk to about anything without feeling any judgment. Matthew has enlisted in the U.S. Army, and will be serving his country as Airborne Infantry. Thank you, Matthew, for your future service!

**Paris Spackman** has been singing ever since she could remember, and joined the Sherwood High School Choir in 9th grade. She has performed in the 2019 Broadway Bits, and helped out with backstage tech crew in the 2020 Broadway Bits. Her plans after high school are to pursue an education in Psychology or another science major

in college. She would like to thank her parents, Jason and Melissa Spackman for their endless support in her journey with music and choir, and also to Ms. Shuckerow for providing such a fun and loving experience throughout all of her high school years.

**Sophia Mulkey** has responded to music since she was a baby in the womb, kicking her Mom when she listened to music in a minor key. As a violinist and vocalist, she started performing at the age of 4 with her family in their German folk band, Z Musikmakers, at festivals across the Pacific Northwest until becoming a teacher. In high school she sang with the Oregon Young Women's Choir and a capella ensemble Synergy, and played violin with the Eugene Youth Symphony. As an actress, stage manager, and pit orchestra musician, she has worked on many memorable shows, including *The Music Man*, *It's a Bird It's a Plane It's Superman*, *Fiddler on the Roof*, *Cinderella*, *Annie*, *Beauty and the Beast*, *Evita*, *Oliver!*, and *The Wizard of Oz*. Mrs. Voss is a proud graduate of the U of O, and when she's not busy being a mom or Associate Principal at SHS, she loves gardening and hiking with her family.

**Robyn Folsom** is currently serving as the SHS Drama Director. She is the proud mother of 5 SHS graduates and grandmother to 5 beautiful children ages 5 to 3 months. In addition to her work with the after school drama program at the high school, Robyn, a long time arts advocate in the community and former member of the Sherwood City Council, serves as the VPA musical theatre program director. Robyn's love and passion for the arts stems from her gratitude for the opportunities

she was afforded as a child in her tiny community in Kansas, and the knowledge that her life has been much richer by her involvement in the arts.

**Hannah Simpson** is an alumna of SHS, and has been helping with the choir program since graduating. She recently finished up her Bachelor of Science in Music Theory, and is planning to do her graduate program at George Fox after getting married this fall. Hannah's favorite musical is *Legally Blonde*, and her favorite thing about choir is getting to spend time listening and singing to songs she's loved for years, or new music she's never heard before.

**Bethany Fromdahl** has been singing for as long as she can remember and began taking piano lessons at age 6. She started choir in 6th grade and has been involved in it (either singing or teaching) ever since, a streak she hopes to continue for many years to come. During high school, Bethany was involved in both concert choir and an a capella group, sang the National Anthem at countless sporting events, including the State Volleyball and Wrestling tournaments, and was a member of the 2015 Oregon Ambassadors of Music choir. In 2020 she

completed her Bachelor of Arts in Music Education and finished her Master of Arts in Teaching in April of this year, both at George Fox University. She has had the great privilege and joy of student teaching alongside Kathy Shuckerow and working with the middle and high school choirs in Sherwood this semester.

**David Kilian** grew up in Gresham and went to Barlow High School where he played trombone under the great Charles Bolton, and sang baritone in the Concert and the ensemble choirs under Gary St. John. He attended George Fox University where he began playing the bass guitar, and occasionally drumming, while singing at campus events and continues to do so at Journey Church here in town. He's taught math and coached Track and Cross Country at Reynolds and Barlow High Schools, then Warner Pacific College, before landing in Sherwood. Dave lives in Sherwood with his wife and 2 sons and his favorite 3 Broadway shows are *Hamilton*, *Newsies*, and *Les Miserables*.
